MAC High Adventure Contingent Schedule

The Mid-America Council is dedicated to ensuring that every youth has an opportunity to attend a BSA High Adventure Base. Some are provided through a "contingent" experience, which means that the trip is organized through a committee of volunteers in the Mid-America Council and may contain Scouts and adults from all over the council. Contingents are offered to 3 of the 4 bases each year.

Dates for Philmont Scout Ranch, Northern Tier, The Summit and Florida Sea Base are available for 2020 and 2021. Please visit mac-bsa.org/camping-outdoors/high-adventure/ to view the dates and for more information.

High Adventure Opportunities for Order of the Arrow Members

Imagine hiking through some of the same territories as Waite Phillips, Dr. Goodman and other noteworthy Scouting figures. Imagine forming a team, coming into an experience as strangers, but leaving as friends for a lifetime. Few people get to experience the world's natural beauty and understand what true fellowship is all about. This summer, the Order of the Arrow invites you to this rare occasion and to participate in the OA High Adventure program.
