IN CASE YOU WERE WONDERING

WHAT IS THE PROCESS FOR A SCOUT'S RANK ADVANCEMENT?

- 1 Scout should make sure all rank requirements (with exception of the Scoutmaster Conference and Board of Review) are completed and signed off by a Scoutmaster in the Scout's book
- 2 All advancements should be logged and dated in Scoutbook. Our Advancement Chairs, Mrs. Harrison or Mrs. Lewis, are always happy to help with that.
  - \* Ideally this is done as each requirement is complete, not all at once at the end.
  - \* Progress on a Scout's rank advancement can be checked at any time in Scoutbook. You can check which requirements are completed and how close (%) the Scout is to completing their rank.
- 3 Scouts should request and schedule a Scoutmaster Conference with either the Scoutmaster or a Assistant Scoutmaster.
- 4 Once Scoutmaster Conference is complete, Scout should have Advancement Chair log and date that requirement in Scoutbook.
- 5 Scout should request a Board of Review. The Board of Review Coordinator (Mrs. Mills) will schedule for the next Monday evening the Scout is available. All rank requirements for the rank must be entered in Scoutbook before a BOR will be scheduled.
- 6 Board of Review Coordinator will schedule adults to conduct the Scout's Board of Review. Once scheduled, a confirmation email is sent out to both the Scout and the adult volunteers as a
- 7 Scout should come prepared for their BOR in their full Class A uniform. They should also bring their Scout book for review...and don't forget a pen!
- 8 When Board of Review is successfully completed, Scout should have Advancement Chair log as completed in Scoutbook.
